II- Reading Comprehension

10

A) Read the following passage and answer its questions:

Everyone is afraid of something. Some of us are afraid of dogs, snakes, darkness and even babies. This kind of fear is called: PHOBIA. A Phobia is a very strong irrational fear or hatred of something. You can see lots of people having a kind of phobia, and maybe YOU have one of these.

Some phobias are very intresting; there are: Ailurophobia-Fear of cats, Anglophobia-Fear of England, Aurophobia- Fear of **gold**, Bibliophobia-Fear of books, Ecophobia- Fear of home, Logophobia- Fear of words, Cheatophobia-Fear of hair, Nomatophobia-Fear of names. The names of these phobias are also intresting, aren't they?

Some phobias can change our lifestyle. For example : if you have Dendrophobia(Fear of trees) you can't walk in the **forest** or even in the garden. Or if you have Heliophobia(Fear of the sun) how can you go outside in the daylight? If you are afraid of speaking (Lalophobia) can you make a presentation in the class? So, some of them **affect** some people in an unpleasant way.

Once I met a man, Adam, who has Cynophobia-Fear of dogs. I asked him some questions about the reason of his fear. He said" When he is a student he goes home on foot. There aren't school buses then. So, one day he is walking his home. Tom and Mary are with him . On the way, they see a dengerous big dog comes and bites his leg. Since then, he is afraid of anything barks, and he is not a friend of Tom and Mary any more :)

I wonder if there's a phobia about the English Language! Perhaps it would be Grammarphobia.
